14:20	Ranking 201 – 225	Startgate Bolgen	to Parsenn

We will be allowing teams up the cable car for the stages from **01:20 pm**

## IMPORTANT:

Every team (both team members) has to check-in with our timing service at Bolgen in the morning and immediately after finishing all stages in the evening!

Please follow the stage and transfer signs. Remember the transfer sections are not timed so you do not need to race there... it is more important that you arrive safely, before the next stage closes.

**Take care and enjoy the ride!**
