Mountain bike: MONDRAKER ENDURO TEAM in Davos introduces never seen before FUN TEAM category

From 3rd to 5th September 2020, the established team enduro fun race for experienced mountain bikers in Davos Klosters, MONDRAKER ENDURO TEAM – formerly Mondraker Enduro2 – will take place already for the fourth time. With the new naming, as previously announced, the event is also being further developed conceptually. In addition to the established teams of 2, the organisers are therefore introducing the completely new open category FUN TEAM, which has never been seen before in Enduro mountain biking and in which teams of 3 to 6 people ride together. The registration opens on 25th October 2019, at 4 p.m.: www.enduro-team.ch/en. In addition, a film teaser for 2020, showing thrilling mountain bike pictures from the Grison Alps, will be published very soon.

MONDRAKER ENDURO TEAM is one of the few Enduro races for teams in Europe and is accordingly popular in the international mountain bike scene. The focus is on fun and camaraderie on the best trails around the Grison destination of Davos Klosters. The previous events, exclusively for teams of two, were always sold out within a few weeks.

New: Open category FUN TEAM for teams from 3 to 6 persons

With the name change to MONDRAKER ENDURO TEAM, the fun event is also being further developed, as previously announced. True to the motto "even more fun for bikers by bikers", the proven organizing committee is introducing the completely new category FUN TEAM in 2020, which has never been seen before in Enduro mountain biking. With full focus on camaraderie, in this open category teams of 3 to 6 people ride together. The stage time simply counts from the first rider who crosses the starting line to the last one in the finish. You have free choice of gender composition and team size within this category. "We wanted to offer something completely new! With this conceptually completely new, unprecedented fun category, we want to fulfil a desire of our participants", Britta Wild explains the creative innovation. "We always had several teams of two who wanted to start together in a larger group, as they didn't care about the timing, but just wanted to explore the best trails around Davos together with their bike mates. With the category FUN TEAM, we are meeting this need from 2020!"

Limited starting places – register from 25th October 2019

Next to the new category FUN TEAM, the previous categories for teams of 2, MEN, WOMEN, MIXED and 77+, will of course remain unchanged. Starting places at the event are limited, especially due to the capacity of the mountain railways of Davos Klosters. All in all, the race is open to 450 participants. The exact number of teams depends on the size of the registered FUN TEAMS. "We already had many returnees in the previous events and they're becoming more and more. We therefore expect huge interest this year again", says Britta Wild. So, the race will probably be sold out quickly. If you want to participate, register as soon as possible from 25th October 2019, at www.enduro-team.ch/en.

Extraordinary trails in best company

At MONDRAKER ENDURO TEAM, the teams cover a total of 120 kilometres in three days, ride almost 1500 metres uphill and some 12,000 metres downhill. As in a real Enduro race, MONDRAKER ENDURO TEAM also runs several stages per day, i.e. measured sections. These mainly lead downhill and last a few minutes each. Between these descents, the participants cover various transfer stages without time measurement, often supported by mountain railways. Transferring gives time to enjoy the impressive alpine scenery of the Grisons mountains or to chat with other race participants from all over Europe and overseas and to cultivate the international bike community. "Our goal is to show experienced mountain bikers from all over the world the most beautiful trails of the destination Davos Klosters in best company", Britta Wild sums up. The trails are varied and attractive – but sometimes also technically demanding, as they are exclusively alpine, natural trails and no man-built flow trails. A certain level of riding on the mountain bike therefore is a must for a lot of fun at MONDRAKER ENDURO TEAM.

About MONDRAKER ENDURO TEAM

MONDRAKER ENDURO TEAM, formerly Mondraker Enduro2, in Davos Klosters was originally planned as a race of a small Enduro series for teams of two by a British organizer. After its bankruptcy, the event was separated from the bankruptcy estate before its premiere in 2017 and has since been an independent mountain bike event, organized by the local association Bike Events Davos in collaboration with the Bike Academy. Mondraker joined as title sponsor in 2019. The race for 450 participants will take place for the fourth time from 3rd to 5th September 2020. The race is for teams of two, plus, from 2020, also for teams of 3 to 6 persons in an open category. The focus of the event lies on the first-class trails of the Davos Klosters region and on the camaraderie within the international mountain bike community.
