For the sixth time already, MONDRAKER ENDURO TEAM, the established team enduro fun race for experienced mountain bikers, will take place in Davos Klosters, Switzerland, from 1<sup>st</sup> to 3<sup>rd</sup> September 2022. The 450 starting places were completely sold out within a few hours at the end of December. This time, however, the youngsters get the chance to join in: MONDRAKER ENDURO TEAM is launching a unique one-day team enduro race for children aged 8 to 15 on the last race day. In addition, from the start of the season in Davos Klosters at the end of June, various training options and side events will again be offered for bikers. *For media, a [film teaser for MONDRAKER ENDURO TEAM 2022](#), showing thrilling mountain bike pictures from the Davos Klosters region, is available.*

Last year it still took a few days – this time all categories were sold out within a few hours only: The common teams of two, the FUN TEAMS of 3 to 6 people that were successfully introduced two years ago, as well as the e-bike category planned as a test run for 2022 in response to repeated demand – the E-Teams. 450 riders in some 200 teams will start at MONDRAKER ENDURO TEAM in Davos Klosters from 1<sup>st</sup> to 3<sup>rd</sup> September 2022. Nearly a quarter of them are FUN TEAMS, the rest starts in teams of two in the categories MEN, WOMEN, MIXED, 77+ and E-Teams.

### Premiere: Team Enduro Race for Kids

Now the youngest will get the chance to participate in this established race: In 2022, for the first time, the organisers will integrate an absolutely unique team enduro race for children into the existing event. "Youth development is an affair of the heart for us. That's why we've been thinking of an enduro race for kids teams for quite a while", explains organiser Britta Wild from the Bike Academy Davos. This idea is now put into practice: Under the patronage of the MTB Club Davos, a kids race will take place at the Bolgen on Saturday morning, 3<sup>rd</sup> September 2022. "The youngsters will also ride in teams of two and complete two to three timed stages, just like the adults", says Britta Wild. "They also arrive in the same finish area as the adults after them. We want the kids to get a real taste of MONDRAKER ENDURO TEAM!" Unlike in the big race, the kids stages will not be ridden "blind", but will be announced in advance. Participation is for children from 8 to 15 years with an advanced mountain bike level, divided into four age groups. The entry fee is CHF 60 per team. Kids teams can register now at [www.enduro-team.ch/en/kidsrace](http://www.enduro-team.ch/en/kidsrace)

### Last chance: Waiting list, training weekends and Enduro Days for Kids and Teens

Those of the adults who did not get a starting place for MONDRAKER ENDURO TEAM 2022 can sign up for the waiting list to get a last chance. Although there is already a large number of teams on there, the past has shown that there are always riders who have to cancel at short notice. If you don't want to give up hope, you can register for the waiting list here: [www.enduro-team.ch/en](http://www.enduro-team.ch/en)

They take place every Friday and Saturday from 1<sup>st</sup> July to 1<sup>st</sup> October and are open not only to event participants but to anyone interested. This way, also the ones who don't have a starting place for the race can get to know the fantastic bike trails around Davos Klosters. And those of the youngsters who still want to train for the Kids Race can sign up for the Enduro Days for Kids and Teens. The three-day camps take place during the summer holidays from Tuesday to Thursday. Further information on all training options is available at [www.bike-academy.ch](http://www.bike-academy.ch).

### **"Rock the Bock" – season-opening festival from 24 to 26 June 2022**

If you're looking for more events besides MONDRAKER ENDURO TEAM, we recommend the "Rock the Bock" festival at the start of the summer season in Davos Klosters. The mountain railway and bike opening weekend on the trails of the destination takes place from 24 to 26 June 2022 and offers everything a biker's heart desires, with guided bike tours, attractive workshops, BBQ with like-minded people and lots of music. There are still places available, you can register at [www.davos.ch/rock-the-bock](http://www.davos.ch/rock-the-bock). By the way, if conditions are good, some of the mountain railways already will start into the summer season earlier. Details at [www.davos.ch/en/discover/mountains/operating-times](http://www.davos.ch/en/discover/mountains/operating-times).

### **The best trails in best company**

At MONDRAKER ENDURO TEAM, the teams cover a total of some 120 kilometres in three days, ride almost 1500 metres uphill and some 12,000 metres downhill. As in a common Enduro race, MONDRAKER ENDURO TEAM also runs several stages per day, i.e. measured sections. These mainly lead downhill and last a few minutes each. Between these descents, the participants cover various transfer stages without time measurement, often supported by mountain railways. Transferring gives time to enjoy the impressive alpine scenery of the Grisons mountains or to chat with other race participants from all over Europe and overseas and to cultivate the international bike community. "Our goal is to show experienced mountain bikers from all over the world the most beautiful trails of the destination Davos Klosters in best company", Britta Wild sums up. The trails are varied and attractive – but sometimes also technically demanding, as they are almost exclusively alpine, natural trails and no men-built flow trails. A certain level of riding on the mountain bike therefore is a must for a lot of fun at MONDRAKER ENDURO TEAM.
