Media Release MONDRAKER ENDURO TEAM, Davos Klosters, 4th December 2025

Mountain Bike: MONDRAKER ENDURO TEAM in Davos launches category 99+, register from 16 December 2025

For the 10th time already, MONDRAKER ENDURO TEAM, the established team enduro fun race for experienced mountain bikers, will take place in Davos Klosters, Switzerland, from 17th to 19th September 2026. For its anniversary, the cult event is launching the new category 99+ for teams of two. The other tried and tested categories for duos will remain, as well as, of course, the extremely popular and unique FUN TEAM category for 3 to 6 people, including e-bikes. As kind of early Christmas, the registration portal will open on Tuesday, 16th December 2025, at 6 p.m.: www.enduro-team.ch/en.

A [film teaser for MONDRAKER ENDURO TEAM 2026](#), showing thrilling mountain bike pictures from the Davos Klosters region, is available.

Media can apply for limited starting places at special conditions until 9 March 2026. For details, check the separate document with the offer for media teams.

Unlimited fun, adventure as a team and great camaraderie, plus the best trails with an impressive alpine panorama around the Grisons destination Davos Klosters – that's what MONDRAKER ENDURO TEAM stands for. It is one of the few Enduro races for teams in Europe and is accordingly popular in the international mountain bike scene. The previous events have always been sold out quickly, for teams of two, but especially for the unique fun teams of 3 to 6 people.

New in 2026: Category 99+ for teams of two

For its 10th edition from 17th to 19th September 2026, the cult event is launching an exciting new feature: The category 99+ for teams of two. That means, if the combined age of two participants is at least 99 years, they are allowed to compete in this category. "Along with our event, our loyal riders have also grown older. In previous years, at least a dozen teams could have competed in the 99+ category if it had already existed. A good reason to finally launch it for the anniversary edition!" announces organiser Britta Wild from Bike Academy Davos happily. "We have an extremely loyal field of participants, some of whom have been with us since the beginning. So, a few grey hairs have been added here and there – not just for us..." adds race director Michi Wild from Bike Academy Davos. "And since we know from our own experience that mountain biking keeps you young even at an advanced age, it's now definitely the right time to honour the most experienced bikers and their still existing play instinct with the 99+ category!" The organisers hope to welcome many of the long-standing teams to this new category – but new, experienced faces are of course also very welcome at 99+.

Early Christmas: Register from 16 December 2025

In addition to the new category 99+ and the very popular FUN TEAM category, including e-bikes, you can of course also start in the tried and tested categories for teams of two, MEN, WOMEN, MIXED and 77+. Starting places at the event are limited, especially due to the capacity of the mountain railways of Davos Klosters. All in all, the race is open to

some 450 participants. The exact number of teams depends on the size of the FUN TEAMS. As kind of early Christmas, the registration platform for MONDRAKER ENDURO TEAM 2026 will open on 16th **December 2025, at 6 p.m.** If you want to be there, register as soon as possible: www.enduro-team.ch/en. Last time, several categories were sold out within less than 30 minutes. “We expect huge interest again for 2026”, says organiser Britta Wild. “With every edition, there are more returnees. That's why we're giving them a small head start on registration this time too – but only very few hours.”

E-Bikes remain integrated in FUN TEAMS

E-bikes have been integrated into the FUN TEAM category since 2023. This solution has proven itself in practice and will therefore stay the same. So, this time again, you can start in a fun team with an e-bike – as long as at least one team member always rides a conventional bike without a motor. “This way, bikers with less endurance will benefit from the motor especially in the transfers – but the teams will hardly have an advantage in the timed stages. Our focus still lies on having fun – we want to remain true to ourselves also for the 10th edition”, adds race director Michi Wild.

New routes for repeaters

Also at the anniversary edition, returning bikers should once again get to know new trails and combinations in the Davos Klosters region. Because the routes at MONDRAKER ENDURO TEAM are not just given: “We’re changing a significant part of the race tracks every year, so that our numerous returnees always get their money's worth when it comes to trail fun”, race director Michi Wild explains his credo. “Our region offers a huge number of attractive mountain bike trails. So, we are far from running out of ideas and new compositions”, he promises.

The best trails in best company

At MONDRAKER ENDURO TEAM, the teams cover a total of some 120 kilometres in three days, ride some 1500 metres uphill and some 10,000 metres downhill. As in a common Enduro race, MONDRAKER ENDURO TEAM also runs several stages per day, i.e. measured sections. These mainly lead downhill and last a few minutes each. In between, the participants cover various transfers without time measurement, often supported by mountain railways. Transferring gives time to enjoy the impressive alpine scenery or to chat with other race participants and to cultivate the international bike community. “Our goal is to show experienced mountain bikers from all over the world the most beautiful trails of the destination Davos Klosters in best company”, Britta Wild sums up. The trails are varied and attractive – but sometimes also technically demanding, as they are almost exclusively natural. A certain level of riding therefore is a must for a lot of fun at MONDRAKER ENDURO TEAM.

About MONDRAKER ENDURO TEAM

The MONDRAKER ENDURO TEAM mountain bike fun race in Davos Klosters, Switzerland, will take place for the 10th time from 17th to 19th September 2026. Some 450 participants race in teams of two and fun teams of 3 to 6 persons. E-bikes are also allowed in the fun teams. New for 2026 is the category 99+ for teams of two. The focus of the event lies on the first-class trails of the Davos Klosters region and on the camaraderie within the international mountain bike community. Mondraker joined as title sponsor in 2019. MONDRAKER ENDURO TEAM is an independent mountain bike event, organized by the local association Bike Events Davos in collaboration with the Bike Academy.
